

Why should you buy a bus from ChildcareBus.com?

Savings: We are the #1 volume dealer with the lowest prices in the country! ChildcareBus.com & Midwest Transit Equipment have aligned with several major financial institutions to get the best possible rates & programs for our customers to fit even the tightest budget. We also offer great **leasing-financing options**.

Simplicity: It is our goal to make working with us simple and pleasurable. We promise to provide you with all the information you need to make an informed decision. We are also determined to offer you a well-equipped, easy to drive vehicle – the type of bus currently being used by some of the largest child care providers in the nation. In addition to offering a great bus at a great price, we will also add your center's name & phone number on the sides of your bus at no additional cost! Or if you prefer, we can give you a quote to develop a customized look for your vehicle so you can get maximum exposure for your center.

Service: Wherever you live in this great nation, our trained staff in the **parts, service and warranty** departments are readily available. If needed, these people are also able to assist you in finding local service and warranty outlets. Whether you have one center or many, you will be treated with the utmost respect.

Selection: We stock a large inventory of new and used child care buses that have been specifically designed and equipped for small to large child care/day care providers. **If you can drive a van, you can drive these buses!** We consistently have buses in-stock that can be purchased or leased and in front of your center with your name, address, phone number and other custom graphics in as little as 2 weeks.

Safety: Midwest Transit Equipment / ChildcareBus.com only offer vehicles designed to meet the federal guidelines for school bus construction safety standards, so you know your precious cargo is in a safe vehicle. All of our units are school bus constructed; these buses meet all Federal requirements for an MFSAB (Multi-Function School Activity Bus). Please see the following link for the definition of an MFSAB: www.nhtsa.dot.gov (search MFSAB).
